Welcome to Maybell Colorado

The Community of Maybell provides central access to a variety of activities where visitors can experience off-road vehicle trails, wilderness trails, wild rivers, wild horse viewing and wildlife viewing including herds of elk, deer and pronghorn. Enjoy hiking, hunting, rafting, biking and four-wheeling.

Maybell hosts a couple of extraordinary events each year. First, experiencing the excitement of ranch horses trotting through the heart of Maybell during the Sombrero Ranches' Great American Horse Drive is a genuine western experience that you will remember for a lifetime. These ranch horses are wintered in Moffat County's Browns Park and are then moved to various livery operations around the state of Colorado for the summer. Second, "Where the Hell is Maybell" is a 30-mile bicycle trek that starts in Craig, Colorado and ends in Maybell. You don't have to be an avid biker for this ride. Go at your own speed and enjoy all the beauty of Colorado's Great Northwest. This event is a great Spring kickoff that boasts an array of beauty in Moffat County's landscape. Details for these events can be found on VISITMOFFATCOUNTY.COM.
